Family Event

Thursday 29th October - 11:00am - 4:00pm

Join us for a 50 minute Halloween themed arts and crafts session.

Bring a pumpkin to carve in the garden, leave all the mess here and make sure you are ready for Halloween night!

Family bubbles will be socially distanced and the 50 minute sessions will allow us to clean between groups. The sessions must be booked in advance but pumpkins can be carved at any time during the day, as long as there is space to socially distance.
