

Are you worried about vulnerable people in our community who are having to self-isolate or quarantine, especially those who do not have family nearby. **How can we help them?**

I've put together a list of phone numbers. If you need help or are able to offer help to others please contact:

Sue Hodge	Glebe Road	653059
Rosemary Foster	Midhurst Road	653266
Judith Turner	Glebe Road	653790
Maureen Pavey	Bishops Close	656592
Bob Smalley	Vann Road	07814 934958

It's important that people know who is coming to their door.
